

# Presentation Reflection

⚠ This is a preview of the published version of the quiz

Started: Feb 21 at 4:31pm

## Quiz Instructions

Complete this after watching the live (or recorded) presentation of results for the experiment you participated in this semester.

Write 2-3 sentences for each prompt.

---

### Question 1

3 pts

How did the information you gained from the components of this project (participation, post-study reflection, extended abstract, presentation) differ?

### Question 2

3 pts

What components were emphasized in the presentation that weren't emphasized in the abstract? Why do you think that is?

**Question 3****3 pts**

What critiques do you have of this study and its design? What would have made the study better?

**Question 4****3 pts**

If you had to hear about this study using only the extended abstract or only the presentation, which one would you prefer? Which one would be better for determining whether the experiment was well designed?
